You can have whatever bent philosophy of “redistributing wealth” or “social justice” or “new world order” you want as long you say within the law; the U.S. Constitution.

But if you voted for this man twice and you still support this man at this point...you are either:

- Incredibly narcissistic and think that the ends (that you decide) justify the means (that you decide) and therefore you are a domestic threat to the U.S. Constitution and should be locked up.
- Incredibly stupid and should not ever be allowed to teach our children or teach in any university.
- Incredibly outspoken racist (illegal) and should never occupy any government job, or supervise anyone.
- Incredibly corrupt and should spend your remaining days in jail.
- Incredibly brain washed into communism/statism/socialism/globalism that you are a domestic threat to the U.S. Constitution and should be locked up.
- Incredibly arrogant and just cannot admit to anyone, ever, that you made a mistake in judgment.
- Incredibly anti-humanity, non-scientific ultra-green wacko that cannot process that wind, solar and geothermal are just gimmicks...and that most every green policy we have ever made has actually cost U.S. taxpayers more, caused more world pollution, killed our economy, shut down jobs and increased inner city poverty...(all on purpose by the way).

At any rate...if you continue to support this man, I've got nothing for you, please block me right now, and go your way.

Rant out...Lt Col (Ret) Reasor, USAF
